Education

Class X

Yashwant High School, Karad June 2018 – March 2019

Percentage: 94.40% Class XII (Science)

Rajiv Gandhi Academy of E-Learning School & Science Junior College, Pune May 2020 – March 2021

Percentage: 88.67%

B.Tech, Computer Science Engineering

Vellore Institute Of Technology, Bhopal June 2021 – July 2025

 $CGPA: 8.05 \ / \ 10$ 

Technical Skills

• Project Management Tools: Google Sheets, Asana

• Collaboration Tools: Google Docs, Zoom, Skype

• Data Analysis: Basic proficiency in analyzing key metrics using spreadsheets or similar tools

• Soft Skills: Communication, Moderation, Problem-solving

• Operations Management: Workflow optimization, Community issue resolution, and Event coordination

Internship Experience

Program Management Intern

Infosys Springboard

October 2024 – December 2024

Virtual Internship powered by Infosys

• Directed the creation of a mental health chathot using Streamlit, coordination

• Directed the creation of a mental health chatbot using Streamlit, coordinating efforts across five departments to achieve project milestones ahead of schedule while ensuring user experience standards were met and exceeded.

**Academic Projects** 

AI Virtual Mouse

July 2022 – October 2022

- Facilitated the management of data cleaning and integration processes, improving data reliability and consistency for model development.
- Supervised the optimization of data pipelines, reducing processing errors and enhancing operational efficiency.
- Collaborated with a cross-functional team to identify key patterns through exploratory data analysis, driving actionable insights that improved model accuracy.

**Crop Prediction System** 

June 2023 – April 2024

- Spearheaded the creation of a comprehensive dataset from historical crop yield records and real-time soil sensors, ensuring data readiness for machine learning models.
- Worked with data science teams to implement models that improved yield predictions and guided planting strategies for large-scale farming operations.
- Partnered with stakeholders to analyze customer behavior and identify target segments, enabling marketing professionals to execute tailored strategies.

Certifications

• Program Management Foundations, LinkedIn Learning

January 2025

• Program Management for IT Professionals, LinkedIn Learning

January 2025

# Co-curricular Activities

Coding and Problem Solving: Actively participated in coding challenges on platforms like LeetCode and Geeks-forGeeks, refining problem-solving skills and enhancing my understanding of algorithms and data structures, which contributed to my ability to approach complex tasks efficiently and effectively in team environments.

## Extracurricular Activities & Achievements

#### **Achievements:**

- Improved project outcomes by spearheading a structured problem-solving initiative, optimizing workflows for various tasks, and creating a scalable framework for future endeavors.
- Recognized as a semifinalist in the Intra-School Badminton Competition by demonstrating strategic planning, resilience, and effective time management during training and matches.

### Extracurricular:

• Organized and distributed a quarterly newsletter to over 100 club members, showcasing event schedules and best practices. Increased engagement rates significantly, driving improved participation in weekly practices and competitions.

Additional Information

**Hobbies:** Badminton, Traveling, Reading Novels

Languages: English, Hindi, Marathi,
